

Loopagoon will be the first major waterpark of its kind in the Eastern Province of Saudi Arabia featuring an exciting mix of rides, slides, and attractions targeted for the entire family. Nestled on the shores of Dana Bay's beautiful lagoon waters; Loopagoon will bring the water to life for everyone. Whether guests want to float and relax, get their adrenaline pumping, or simply watch their children splash around; Loopagoon will have it all.

Developed by Dana Bay and Jenan Real-Estate on 15,616 sqm of prime sea-side real-estate; Loopagoon, will host 12 unique, state of the art rides, slides and attractions from the world's leading manufacturers. Once open, Loopagoon will be a preferred employer in the region, staffing up to 175 trained associates to deliver five-star service and safety, creating memorable experiences to all its guests.

Once inside the protective privacy of Loopagoon's tall, picturesque walls; guests will emerge into a park that abounds with beautiful theming, landscaping and architecture; all meant to immerse its visitors in a Mediterranean look and feel.

Adventurous guests will have hours of fun learning, from professional coaches, to bodyboard and surf on the giant FlowRider. Beginners and experts alike will find hours of fun and excitement as they learn and sharpen their Flow skills on this 10m wide continuously flowing sheet of water. Not only designed with the rider in mind; spectators will share in the excitement and memory making with riders. Onlookers will be able to watch and cheer on their favorite riders as they learn their maneuvers and tricks.

Loopagoon's massive water slide tower will feature seven unique attractions hosting hundreds of meters of fun. Adrenaline seekers will experience zero gravity as they virtually freefall with up to three companions into the exhilarating 14m wide Tornado. Those that feel a need for speed will find their satisfaction on the two Twisters when they slip and slide down each of these two unique slides on a thin sheet of water. Guests that like competition will grab a mat and up to three friends to race shoulder-to-shoulder, head-first down Loopagoon's Octopus Racer where the winner will always walk away with bragging rights! If riders want twists and turns they will grab an inner-tube and take a ride down each of the PIPEline slides. Those that want to take a spin will enjoy the dizzying enjoyment of the CannonBOWL.

All the fun and excitement in the park will make anyone hungry. Guests' appetites will be further stimulated when they see the delicious food offerings in Loopagoon's signature restaurant. Diners will be able to order a quick refreshment and get back to the fun, or take their time and relax with a tea/coffee or full meal all while enjoying scenic views of the park from its first-floor terraces.

Loopagoon will put a twist on the traditional swimming pool with the vast Wavepool featuring waves running in 15-minute cycles throughout the operational day. Swimmers will float up and down while relaxing on an inner-tube, or splash and play in the breakers. Lifejackets will be available for all sized guests that need a little assistance or piece of mind while in the water.

Guests that want to simply unwind while still enjoying the water will find their perfect spot on an inner-tube floating care-free around the 200+ meter long Lazy River.

Loopagoon will also cater to its youngest guests with its Spray Pad and gigantic Kids' Play Structure (KPS). The Spray Pad will be perfect for toddlers and young ones not yet comfortable with slides and pools. The KPS will feature an enormous bucket dumping water across the entire attraction every couple of minutes and seven distinct slides twisting around a central, spray filled play structure like a giant octopus.
